WORK EXPERIENCE

Front-End Developer | SheCodes | 2022 - Present
- Weather App - HTML + CSS, JavaScript, React - has an extensive ability to not only tell you the current weather but also forecast the week ahead.
- Dictionary App - HTML+ CSS, JavaScript, React - provides definitions, phonetics, nouns, and images of words searched.

Social Media Moderator | Teleperformance | 2022 - Present
Responsible for managing overall activities within social platforms and the online community itself. Screens for inappropriate or harmful posts within a social platform.

Freelance Graphic Designer | 2019 - 2022

Create innovative logos and flyers to elevate and differentiate branding and marketing initiatives. Developed, revamped, and reformatted advertisements for local businesses and their social media usages.

Video Editor | OCL NEWS | 2019 - 2020
Managed the editing of 20-15 biweekly videos for publications. Provided layouts and designs for all advertisement videos. Weekly planning with writers to deliver engaging and informative edits to the masses.
